GENERAL INFORMATION

Sn3 Modeler is the leading S narrow gauge magazine, serving and promoting 3/16" to the foot model railroading. It is published twice a year: Spring/Summer and Fall/Winter. **Sn3 Modeler** is published for Sn3 modelers, manufacturers, suppliers, wholesalers and dealers. It features modelers' layouts, how-to construction articles, conversion articles, prototype photos and articles and columns devoted to teaching readers more about the world of S narrow gauge modeling. Besides paid subscriptions, **Sn3 Modeler** is distributed through leading hobby shops across the country, in Canada and in foreign lands.

SPECIFICATIONS

Full page: 7¹/₄" (W) x 9³/₄" (D)
Two-thirds page: 7¹/₄" (W) x 6¹/₂" (D) or 4⁷/₈" (W) x 9³/₄" (D)

One-quarter page: 7¹/₄" (D) x 2¹/₄" (W) or 3⁵/₈" (D) x 4⁷/₈" (W)
One-sixth page: 4⁷/₈" (D) x 2¹/₄" (W) or 4³/₄" (W) x 2¹/₄" (D)
One-twelfth page: 2³/₈" (D) x 2¹/₄" (W)

SERVICES

Services we can provide include make-up and design for advertisements. These services are charged at \$38 an hour, plus materials. Costs of typesetting, photographs, enlargements, reductions and special work are billed to the advertiser. Black and white or color photographs may also be submitted, which we will scan for a fee of \$19 each.

PAYMENT POLICY

Full payment must be received before publishing single insertions. Advertisers who contract for consecutive insertions are billed upon publication. Payment is due 10 days after receipt of billing. The Publisher reserves the right to refuse advertising to overdue accounts or levy a finance charge on past due accounts.

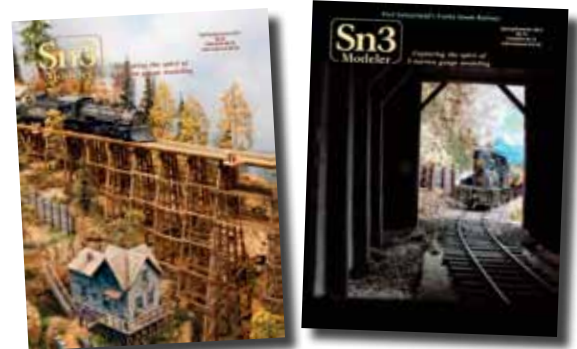

CLOSING DATES

When copy is not received by deadline on a multiple insertion agreement, the previous advertisement is repeated. Cancellations are not accepted after closing date. All advertisements are subject to approval by Publisher.

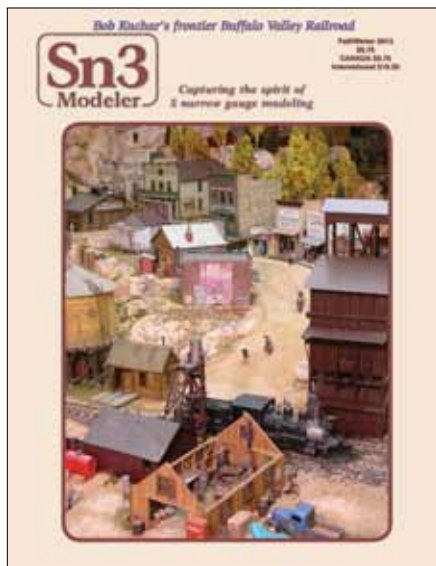

Complete copy and illustrations must be received by February 1 for the Spring/Summer issue and July 15 for the Fall/Winter issue. **Sn3 Modeler** is published semi-annually.

*Capturing the spirit of
S narrow gauge modeling*

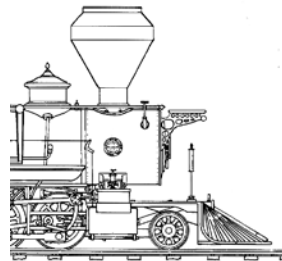

Sn3 Modeler reaches a talented, veteran group of modelers who recognize high achievement in benchwork, trackwork, electrical, scenery, painting and weathering, rolling stock and locomotives, structures and operational possibilities.

Sn3 Modeler

Devoted to 3-foot-gauge modeling in 1:64 scale, this semi-annual magazine features how-to and technique articles, scale plans, columns, large photos, and ads from major manufacturers. Subjects covered include cars, locomotives, painting, weathering, detailing and much more. Each issue is specially designed for narrow gaugers. Glossy paper and four-color photos are featured. Published twice a year, spring and fall.
